### **David L. Hurvitz, Esq.** **Attorney at Law**

Mr. Hurvitz graduated from Stetson University College of Law in May of 2008. Mr. Hurvitz also received his Master of Business Administration from Stetson University School of Business Administration in May of 2008 as well. Prior to his graduate schooling, Mr. Hurvitz received his Bachelor of Science degree from the University of Florida in 2005.

Mr. Hurvitz is admitted to the Federal Court for the Middle District of Florida. Mr. Hurvitz is also a member of the Florida Bar, and is licensed to practice law in the State of Florida. Mr. Hurvitz has experience in Estate Planning, Wills, Trust, Powers of Attorney, Probate and Trust litigation, Guardianships, Adoptions, as well as in all aspects of Family Law matters.

Mr. Hurvitz has practiced law in Hillsborough County, Pinellas County, Sarasota County, Manatee County, Collier County, and Broward County since 2008, and has represented clients throughout the State of Florida.

Mr. Hurvitz usually recommends that his clients make sure they each have a Will, as well as both medical and financial power of attorney documents, to complete their estate planning portfolio. Mr. Hurvitz only recommends a trust when a client owns a piece of real property that has no mortgage encumbering it.

The costs associated with a Will with a resulting trust (i.e. if you have children under the age of 25) is \$200.00, and each power of attorney is \$150.00. Mr. Hurvitz tries to make all three documents as affordable as possible to all of his clients, so he is offering 1 Will with resulting trust, and both power of attorney documents, for \$400.00. If you are getting three documents and the other parent of your children / your spouse is getting 3 documents as well, Mr. Hurvitz will draft all 6 documents for each couple for \$600.00 total. Mr. Hurvitz will also be discounting the aforementioned costs by any fees paid for attending the presentation if you purchase your estate planning portfolio at the Estate Planning Presentation on September 24, 2016.
